

Accessibility Feedback Process at St. Paul's United Church

We strive to improve accessibility for our participants with disabilities. We would like to hear your comments, questions and suggestions about the provision of our programs, goods and services to people with disabilities.

Participant feedback forms are available just inside the main entrance of the church and on our website:

Please call (705) 526-6077 or email stpaulsunited@rogers.com to share your comments, or to request a copy of our accessibility policy. Please give the feedback form to the Minister or the Church Administrative Assistant.
